

HEAR O BACKSLIDING ISRAEL — YOUR FINAL WARNING!

(Division Three: Invasion & Capitulation Blueprint)

N.B. This document must be read in conjunction with the MS Excel/PDF BluePrint diagram, available on web site.

We open this prognostic warning by quoting from the most profound scroll to ever come into existence — the Scroll of Revelation; together with the words penned by the faithful Old Covenant Jewish prophet, Ezekiel:

*“And I saw a strong angel proclaiming with a great voice, **Who is worthy to open the Scroll, and to loose the seals thereof? And no one in the heaven, or on the earth, or under the earth, was able to open the Scroll, or to look thereon. And I wept much, because no one was found worthy to open the Scroll, or to look thereon: and one of the elders saith unto me, Weep not: behold, the Lion that is of the tribe of Judah, the Root of David, hath overcome, to open the scroll and the seven seals thereof.** Rev 5: 2-5*

*“**Son of man, I have made you a watchman to the house of Israel.** Therefore hear the Word of My mouth, and give them warning from Me. When I say to the wicked, You shall surely die; and you do not give him warning, nor speak to warn the wicked from his wicked way, to save his life; the same wicked one shall die in his iniquity; but I will require his blood at your hand. Yet if you warn the wicked, and he does not turn from his wickedness nor from his wicked way, he shall die in his iniquity; but you have delivered your soul.” Ezekiel 3: 17-19*

*“**But if the watchman sees the sword coming, and does not blow the trumpet and the people are not warned; if the sword comes and takes any person from among them, he is taken away in his iniquity. But I will require his blood at the watchman's hand. And you, son of man, I have set you a watchman to the house of Israel. Therefore you shall hear the Word from My mouth, and warn them from Me.**” Ezekiel 33: 6 -7*

The bulk of this prophetic word is rooted in the scroll of Revelation. The unfolding of **Division Three** is a consequence of **Division Two**. And without the events encapsulated in Division Two, Division Three cannot commence. All seven divisions of the Revelation are of a structured nature, and are co-dependent upon one another for consecutive chronological fulfillment. The understanding of the seven natural divisions, together with the structure principle is a prerequisite for the correct interpretation of the Revelation.

There are four interlocking phases that comprise the structure of Division Three. Within these phases are the technicalities pertaining to the overall outworking of the prophecy — the nuts and bolts, if you will. We accentuate the fact, that it is imperative to read this prophetic warning in conjunction with the MS Excel/PDF BluePrint Invasion Document. In addition, it is crucial to grasp that the manifestation of the DIVINE ELEMENT — THE SUPERNATURAL which comes to the fore during the course of Division Three; and continues until the end —the Seventh Shofar. Given the character of the supernatural world, Satan and his cohorts also manifest the supernatural (demonic). Furthermore, in terms of the structure of the Revelation, the supernatural thread continues until the end of Division Seven. There is no other prophecy that we are aware of, either in the Old or New Covenant — wherein there is so much concentrated angelic activity. By way of an example: there are angels over (responsible for) the wind, fire and water, etc.

Regarding the understanding of angelic administrative involvement within phase's one, through four, it is the writer's belief that the symbolism (description) employed is to be understood as supernatural. And therefore in most cases there is no earthly explanation — suffice to say, that whatever they physically represent — they are horrendous and have devastating consequences! However, given the incredible technological advances of 21st century weaponry, we cannot be categorical and say that every judgment has a supernatural component. While the angelic hosts administer the respective judgments, some judgments could be interpreted in light of 21st century technology. Understandably, John the apostle would have been hard-pressed to assimilate modern weaponry! Let alone articulate the same. Given that the Shofar judgments are divinely initiated, the IDF will be totally and absolutely powerless to respond (**irrespective of Iron Dome**), and hence the eventual capitulation of the nation.

Division Two, in a nutshell is the beginning of the beast's (Man of Sin) rise to political power. The formation of Palestine in relation to the Eastern Roman Empire is the primary objective of Division Two — the Beast's Kingdom (Rev 13:2). It therefore goes without saying that the modern state of Israel is an essential component regarding the beast's strategy. Division Four is the rise and ultimate consolidation of the beast's kingdom into a Ten Nation Confederation; and is the vehicle through which he and the harlot system (Vatican) control the inhabitants of the Beast's Red Dragon Kingdom — enforcing the allegiance and worship of Satan via the 'mark of the beast' (Rev 13: 16 -17). Those who take the mark of the beast will end up in the **Lake of Fire!**

*“And another angel, a third, followed them, saying with a great voice, **If any man worshippeth the beast and his image, and receiveth a mark on his forehead, or upon his hand, he also shall drink of the wine of the wrath of God, which is prepared unmixed in the cup of his anger; and he shall be tormented with fire and brimstone in the presence of the holy angels, and in the presence of the Lamb:***

and the smoke of their torment goeth up for ever and ever; and they have no rest day and night, they that worship the beast and his image, and whoso receiveth the mark of his name.” Rev 14:9 -11

*“The beast was captured, along with the false prophet who had performed signs on its behalf. By these signs the false prophet had deceived those who had received the mark of the beast and worshiped its image. **Both of them were thrown alive into the lake of fire that burns with sulfur.**” Rev 19:20*

*“And the Devil who deceived them was cast into the **Lake of Fire and Brimstone**, where the beast and the false prophet were. And he will be tormented day and night forever and ever.” Rev 20:10*

Division Three

Phase One - Structural Components:

1. 4 angels — four corners of the earth.
 2. 1 sealing angel from the East.
 3. Another angel.
 4. 7 Shofar angels
 5. 4 Shofar Judgments
 6. 3 Woe Announcements
1. Divine intervention: **Four angels** dispatched from the 3rd heaven to the physical land of Israel. Whether these angels visibly manifest, remains to be seen. Although, there are many examples in the old and the new covenant where angels materialized in their angelic form, or they took on human appearances. The function of these angels is to hold back the wind. *“And after these things I saw four angels standing on the ***four corners of the earth, holding the four winds of the earth, that the wind should not blow on the earth, nor on the sea, nor on any tree** (Rev 7:1).”* *“Also, thou son of man (Ezekiel), thus saith the Lord GOD **unto the land of Israel; An end, the end is come upon the four corners of the land** (Ezekiel 7:2).”* The wind will cease to blow throughout the geographical area of Israel and most likely 1/3 of the Mediterranean Sea region — the reason for the cessation of the wind will become evident as we proceed...
 2. **Sealing angel** appears from the direction of the East, and has in his hand the seal of the living Yehovah. *“And I saw another angel ascending from the east, having the seal of the living God: and he cried with a loud voice to the four angels, to whom it was given to hurt the earth and the sea, Saying, Hurt not the earth, neither the sea, nor the trees, till we have sealed the servants of our God in their foreheads. And I heard the number of them which were sealed: and there were sealed an hundred and forty and four thousand of all the tribes of the children of Israel:*

Of the tribe of Juda were sealed twelve thousand. Of the tribe of Reuben were sealed twelve thousand. Of the tribe of Nepthalim were sealed twelve thousand. Of the tribe of Manasses were sealed twelve thousand. Of the tribe of Simeon were sealed twelve thousand. Of the tribe of Levi were sealed twelve thousand. Of the tribe of Issachar were sealed twelve thousand. Of the tribe of Zabulon were sealed twelve thousand. Of the tribe of Joseph were sealed twelve thousand. Of the tribe of Benjamin were sealed twelve thousand.” (Rev.7: 2-8)

This angel together with the four preceding angels, seal the 144,000 upon their foreheads. These men miraculously appear on the scene — 12,000 from each of the tribes of Israel. The seal is most likely the visible name of the living God of Israel — the Tetragrammaton (יהוה – YHWH). *...and with Him were a hundred and forty-four thousands, **having His Father's name written in their foreheads.** (Rev 14:1).* The 144,000 will powerfully preach the gospel and the imminent return of their Messiah. The purpose of the seal is for their protection (divine) during the seven Shofar judgments.
 3. After this, **another angel** administers judgment in the form of an **earthquake**, which possibly centres upon the Dome of the Rock, and the El-Aqusa Mosque. The destruction of these two Moslem holy shrines clears the way for a temple to be built. This earthquake is the 1st of **three earthquakes** scheduled to ‘hit’ Israel, of which the **second has devastating consequences — 7000 die in Jerusalem as a result! The intent of these earthquakes must not be underestimated!**
 4. **Seven Shofar angels prepare to blast their shofars in heaven:** This is the prelude to the unleashing of the **first four** supernatural judgments upon the land. *“And the seven angels which had the seven trumpets prepared themselves to sound.” (Rev 8:6).*
 5. **Four Shofar Judgments:**

*“Then Yehovah rained upon **Sodom and upon Gomorrah brimstone and fire**, from Yehovah out of the heavens.” Gen 19:24*

 - **The first angel sounded**, and there followed **hail and fire mingled with blood**, and they were cast upon the earth: and the third part of trees was burnt up, and all green grass was burnt up. (Rev 8:7). Whatever the physical manifestation of this judgment is?

It is delivered with extraordinary surgical precision — **“A third of...”** The principle of surgical precision regarding the delivery of this judgment is replicated during the second, third and fourth judgments.

- **The second angel sounded, and as it were a great mountain burning with fire was cast into the sea: and the third part of the sea (Mediterranean) became blood. And the third part of the creatures which were in the sea, and had life, died; and the third part of the ships were destroyed.** (Rev 8:8-9).
- **The third angel sounded, and there fell a great star from heaven, burning as it were a lamp, and it fell upon the third part of the rivers, and upon the fountains of waters; And the name of the star is called Wormwood: and the third part of the waters became wormwood; and many men died of the waters, because they were made bitter.** (Rev 8:10-11). This is most likely a meteor strike which turns a 1/3 part of the drinkable water toxic, which precipitates a severe water shortage causing death to the inhabitants of the land.
- **The fourth angel sounded, and the third part of the sun was smitten, and the third part of the moon, and the third part of the stars; so as the third part of them was darkened, and the day shone not for a third part of it, and the night likewise.** (Rev 8:12). Given that there is no wind whatsoever blowing, the huge amount of debris created by the first three Shofar judgments will rise into the atmosphere; thereby obscuring the natural light from the sun, moon and stars.

The objective of the four above shofar judgements is to soften-up the land in preparation for the invasion, which will result in the total defeat and capitulation of the nation of Israel.

6. Three Woes:

An angel transverses the atmosphere and proclaims **three warnings** regarding the three remaining consecutive judgments to follow. *“And I saw, and I heard an angel, flying in mid heaven, saying with a great voice, **Woe, woe, woe,** for them that dwell on the earth, by reason of the other voices (sound) of the trumpet of the **three angels, who are yet to sound.**”* (Rev 8:13).

Thus Ends Phase One...

Phase Two - Structural Component:

1. First Woe!

- *Rev 9:1 When **the fifth angel blew his trumpet**, I saw a star (angel) that had fallen to earth from the sky. The star (angel) was given the key **to the shaft** of the bottomless pit. Rev 9:2 It opened **the shaft** of the bottomless pit, and smoke came out of the **shaft** like the smoke from a large furnace. **The sun and the air were darkened with the smoke from the shaft.** Rev 9:3 **Locusts came out of the smoke onto the earth**, and they were given power like the power of earthly scorpions. Rev 9:4 **They were told not to harm the grass on the earth, any green plant, or any tree. They could harm only the people who do not have the seal of God on their foreheads.** Rev 9:5 **They were not allowed to kill them, but were only allowed to torture them for five months.** Their torture was like the pain of a scorpion when it stings someone. Rev 9:6 **In those days people will look for death and never find it. They will long to die, but death will escape them.** Rev 9:7 The locusts looked like horses prepared for battle. On their heads were victor's crowns that looked like gold, and their faces were like human faces. Rev 9:8 They had hair like women's hair and teeth like lions' teeth. Rev 9:9 They had breastplates like iron, and the noise of their wings was like the roar of chariots with many horses rushing into battle. Rev 9:10 They had tails and stingers like scorpions, and they had the power to hurt people with their tails for five months. Rev 9:11 **They had the angel of the bottomless pit ruling over them as king.** In Hebrew he is called **Abaddon**, and in **Greek** he is called **Apollyon**. (ISV Bible).*

This woe is horrendous!! An angel from heaven has the key to the entrance of the shaft of abyss — which he opens, and as a result copious amounts of smoke billow up into the atmosphere. And out of the smoke emerge demonic locust-centaur like creatures. Who knows how many there are? No doubt millions upon millions!!!! What we glean from this is that somewhere (?) in Israel is the entrance to the shaft of the abyss! Is this perhaps one of the entrances to the nether world?

“Have the gates of death been opened unto thee? or hast thou seen the doors of the shadow of death?” Job 38:17

Bearing in mind that as a result of the previous four shofar judgments, visibility has already been reduced by one third; therefore the smoke rising from the shaft of the abyss will exacerbate an already chronic situation!

These grotesque evil creatures from the bowels of the nether world have a demonic angel king over them — who is the ruling power over the Abyss. His Hebrew name is Abaddon and in Greek it is rendered Apollyon. Both these names translate into English as Destroyer, or Destruction.

As to his progeny — the locust-centaurs, mankind has never in the natural witnessed the likes of such creatures before. However, over time, Hollywood & the Home Entertainment Industry have prepared billions — especially the young with so-called alien creature type movies. Today even cartoons depict hideous looking creatures! There is no doubt that Abaddon/Apollyon becomes the wicked 1st beast of Revelation 13 — ‘Man of Sin’. More about him later...

The duration of this so-called locust plague is **five months!** It is worth noting that natural locusts have a life span of five months, which in the northern hemisphere is mid-April thru mid-September. It is also interesting to note that King David said, "...the locusts have no king..." Proverbs 30:27. The sole purpose of the natural locust is to destroy any and all vegetation. Unlike the natural locust, these abyss locust-centaurs have *faces like men and long hair, as well as breastplates as strong as iron. In addition, they have scorpion tail-type appendages; it is with their tails that they inflict severe stings upon all within the borders of Israel — with exception of the 144,000. The agony inflicted by the sting is so acute that men will cry out to die — but death will elude them (Rev 9:6). Unlike natural locusts, these demonic creatures have a king over them — Abaddon king of the abyss. They are commanded by the heavenly messenger not to destroy any vegetation. Furthermore, they were instructed not to kill men, but only to torture them, the inference being that they had the ability to kill men (hence their teeth), but did not (Rev 9:5).

* We are not to be surprised by the fact that these locust-centaurs have faces like men and hair like woman, etc. In the book of Revelation, the four-living beings each have one of the following faces as heads: The face of a Lion, Man, Calf and Eagle (Rev 4:7) In the book of Ezekiel we have a similar description of the four-living beings, except the four faces are on each head respectively. (Ezekiel 1:10).

The purpose of the first woe judgment is the continuation of the objectives of the four Shofar judgments already elucidated. Given the lack of visibility, severe water shortages and the affects of the locust plague — Israel's entire defense capability will have been severely compromised — to a point, we imagine of almost none-existence! In addition, as in the days of the Old Covenant the God of Abraham, Isaac and Jacob, will most likely sow massive confusion amongst the Israeli leaders — on all levels, thereby compounding an already disastrous situation. Owing to the preceding four Shofar judgments together with the locust-centaur plague, it is unlikely that anyone will enter or leave Israel during these judgments.

The first **woe** is now over, and five months of severe torment have come to an end, and the locust-centaurs either return to the abyss — from whence they came, or alternative they die. At this juncture it is possible that the wind will once again begin to blow, which in turn will disperse the atmospheric debris and in due course full visibility will return to the land.

The first Woe is past: behold, there come yet two Woes hereafter (Rev 9:12).

The objective of the second woe is the invasion, occupation and capitulation of the nation of Israel and the Jews being massively deceived by Satan...

Phase Three - Structural Component:

1. **Second Woe!**

- **Rev 9:13 And the sixth angel did sound, and I heard a voice out of the four horns of the altar of gold that is before God, Rev 9:14 saying to the sixth angel who had the trumpet, 'Loose the four angels who are bound at the great river Euphrates;'** Rev 9:15 **and loosed were the four angels, who have been made ready for the hour, and day, and month, and year, that they may kill the third of men;** Rev 9:16 **and the number of the forces of the horsemen is two myriads of myriads, and I heard the number of them.** Rev 9:17 **And thus I saw the horses in the vision, and those sitting upon them, having breastplates of fire, and jacinth, and brimstone; and the heads of the horses are as heads of lions, and out of their mouths proceedeth fire, and smoke, and brimstone;** Rev 9:18 **by these three were the third of men killed, from the fire, and from the smoke, and from the brimstone, that is proceeding out of their mouth,** Rev 9:19 **for their authorities (power) are in their mouth, and in their tails, for their tails are like serpents, having heads, and with them they do injure;** Rev 9:20 **and the rest of men, who were not killed in these plagues, neither did reform from the works of their hands, that they may not bow before the demons, and idols, those of gold, and those of silver, and those of brass, and those of stone, and those of wood, that are neither able to see, nor to hear, nor to walk,** Rev 9:21 **yea they did not reform (repent) from their murders, nor from their sorceries, nor from their whoredoms, nor from their thefts.**(YLT Bible).

Of note: There are currently four powerful evil angels bound at a certain location within the great Euphrates River — just how long these angels have been there, is subject to speculation. Nevertheless, we once again observe the precision principle in operation; for these angels will be released in a specific **year, month, day, and hour** clearly demonstrating that this judgment is no 'hit' or 'miss' affair. Once released, these angels, between them have the ability to commandeer an army of: 200,000,000 or 20,000,000 or 200,000 horsemen respectively, according to most Bible translations. We wonder if there is sufficient space in Israel to accommodate 200 million horsemen, etc — or whatever they represent? Some Bible translations render the number of horsemen as a myriad, myriad, times two. A myriad, myriad times two equals 40,000. Myriad in Greek is rendered murias, which in turn has a numeric value of 10,000 or, it can be an infinite number. To us, 40,000 is a much more realistic figure, however time will reveal the actual truth regarding this matter. This army is not to be confused with the army of the 'kings of the east' (Rev 16:12) recorded in the bowl/vial judgements dispensed in Division Five. In the context of modern warfare, this invading force could be mechanised battalions comprising MBT, MLRS, ACAV and HVM, etc.

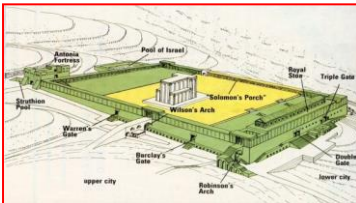

During the invasion **one-thirds of the population of Israel die** — Jew and Arab alike — and whoever else is in the land at the time of the invasion.

The leader of this German lead (EU) alliance invasion force is most probably Abaddon incarnated into the 1st Beast of Revelation (in the making) who initially started out in Rev 2:2 as the rider on the white horse. In fulfillment of Dan 9:27 he will guarantee peace between Israel and her neighbours for a seven year period.

“And he shall confirm a covenant with many for one week. And in the midst of the week he shall cause the sacrifice and the offering to cease....” Dan 9:27

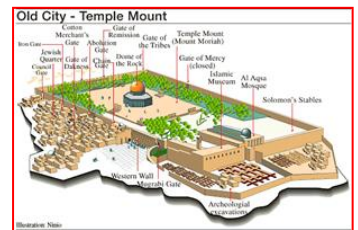

Isaiah the prophet prophesied thousands of years ago that this treaty would be a covenant of death & hell for Israel (Isaiah 28:15). A further warning about this treaty is found in the New Covenant:

“For when they shall say, Peace and safety! Then sudden destruction comes on them, as travail upon a woman with child. And they shall not escape (1Thess 5:3).

It must be emphasized that this agreement is not negotiated, but as vanquisher — Abaddon enforces it upon Israel and her neighbours. However, there is a ‘bitter-sweet’ aspect for Israel! As part of Abaddon’s deceptive nature he will allow the temple (the last temple was destroyed by the Romans around AD 70) to be built, and once completed opens the way for the ‘Daily Sacrifice’ to be instituted. Currently the Temple Mount Faithful are desperate to build a Temple and are merely awaiting the right political moment to do so. To this end, they have over many, many years

collected the required materials, etc. This Temple could be Solomon’s or Ezekiel’s Temple. The writer favours Solomon’s Temple for many reasons. Some of which follow: Ezekiel’s Temple is far too large to fit on the Temple Mount, also the whole land has to be divided into the twelve tribe allotments as per Ezekiel’s blueprint. **The building and completion of the Temple will be a monumental moment in the history of Israel** — as it will be the first time in over 2000 years that officially sanctioned animal sacrifice will be reinstated in the land. The construction time allowed for the temple is two hundred and fifty days (see article entitled ‘Daniel’s days’ on our web site). Abaddon will permit the daily sacrifice to continue for 1010 days. Pics Acknowledgement: Ninio (Public Domain).

At the beginning of the temple construction process, two witnesses appear wearing traditional Tenach apparel - namely, sackcloth! Their primary function is horrendous judgment upon the inhabitants of the land. It is highly probable that these two men are Moses and Elijah come back to life! Moses, the Law-giver and Elijah the prophet who stopped the rain! The physical bodies of these two men never saw corruption when they physically died. They cause the rain to stop for the duration of their ministry. Thereby exacerbating an already critical water shortage! They turn water into blood as often as they like and cause other types of plagues. If anyone opposes them, flames shoot out of their mouths and instantly cremate those opposing them. The duration of their ministry is 3½ years, or 1260 days. Parallel to their ministry the 144,000 continue to powerfully testify to the inhabitants of the land for their need for repent and the imminent return of the King of Kings — their true Messiah.

By this time, Abaddon through his various intrigues will be the most exalted entity in the Middle East — especially in Jerusalem. Because of this, some inhabitants will proclaim him to be their long-awaited Messiah — thereby fulfilling one of YeShua’s prophecies,

“I am come in my Father's name, and ye receive me not: if another shall come in his own name, him ye will receive.” John 5:43

It must be kept in mind, that Abaddon is the angel king from the bottomless pit (Rev 9:3, 11). And that after being released from the bottomless pit he entered into the 1st beast — just as Satan entered into Judas Iscariot prior to Yeshua’s betrayal. At the end of the two witness’s ministry a cataclysmic event occurs **which irrevocably split the past from the present** (future) — and sets the stage for the true Messiah’s supernatural return. The cataclysmic event we speak of is **WAR!** War breaks out in the second heaven and Michael (Israel’s guardian angel) and his angels cast Satan and his angels out onto the land. Simultaneously voices are heard in heaven saying,

“Rejoice then, O heaven and you that dwell therein! But woe to you, O earth (Israel) and sea, for Satan has come down to you in great wrath, because he knows that his time is short!”

It is necessary that the second heaven be cleaned out prior to the return of Yeshua — the true Messiah. Satan as Prince of the Air has his command structure in the second heaven. It is from there that he influences events upon the earth through his cohorts (fallen angels and demons).

The man of sin — the lawless one, son of perdition (abyss) beast or anti-Christ, as he is alluded to in the New Covenant is now revealed upon the world stage and it is possibly at this juncture that Satan enters into him. The apostle Paul said the mystery of lawlessness was already evident and operating in his day. But, that in the last days it would reach its pinnacle just before the arrival of the true Messiah — literally all hell is going to break loose! Anarchy will be the order of the day! It is beyond the scope of this document to expand upon the persona of the beast — suffice to say, the world has never seen, or experienced such a wicked or debased character as the beast before!

At the end of the 3 ½ years Abaddon/Satan abruptly halts the daily sacrifices and kills the two witnesses and will not allow their bodies to be buried for three and a half days.

It is at this point that Abaddon's covenant (Dan 9:27) is rendered null and void and he enters the Temple and demands to be worshipped as the one and only true Yehovah — the Yehovah of Abraham, Isaac and Jacob (Rev 13:6). In so doing, he fulfills the abomination of desolation prophecy (Matt 24:15).

During this period the inhabitants of the land send one another gifts as a means of celebrating the death of the two witnesses — most likely recalling how the witnesses made life so intolerable for them. At the end of the three and a half days there is a loud voice from heaven, which says, "Come up here!" The two witnesses come back to life and return to heaven. At that precise moment a **huge earthquake** epicenter's upon Jerusalem and seven thousand people die as a result! It is this earthquake that will most likely totally destroy the Temple. Satan who is enraged sends an army after the remnant to kill them. However, beloved Abba causes the ground to open up in order for Satan's army to be swallowed up! The remnant escapes to their place of refuge where they are cared for, for one thousand two hundred and sixty days — 3 ½ years.

Once again! Yeshua's words echo down through the passage of time...

*Luk 13:34 "Jerusalem! Jerusalem! the one killing the prophets, and stoning those having been sent to her; how often I desired to gather your children in the way a hen gathers her brood under the wings, and you did not desire it. Luk 13:35 Behold, your house is left to you desolate. **And truly I say to you, You will not see Me until it come when you say, Blessed is He who comes in the name of the Lord."***

*Luk 19:41 "And as He drew near, He beheld the city and wept over it, Luk 19:42 saying, **If you had known, even you, even at least in this day of yours, the things for your peace! But now they are hidden from your eyes. Luk 19:43 For the days will come on you that your enemies will raise up a rampart to you, and will surround you, and will keep you in on every side. Luk 19:44 And they will tear you down, and your children within you, and will not leave a stone on a stone because you did not know the time of your visitation.**"* (Roman destruction of Jerusalem and the Temple in AD 70).

Satan in a rage kills the 144,000, who are still in the Jerusalem area. After this, Abaddon and Satan leave Israel for Rome where Abaddon's kingdom is formally constituted, *Rev 13:2 "And the dragon (Satan) gave him (Apollyon) its power and its seat and great authority."* It is probably that at this time Abaddon changes his name to Apollyon and the greatest persecution in human history begins — the Great Tribulation (Matthew 24:21)! This tribulation is confined to the geographical area of Satan's Red Dragon Kingdom. The duration of Apollyon's reign is 3 ½ years. *Rev 13:5 And a mouth speaking great things was given to it, and blasphemies. **And authority was given to it to continue forty-two months** (3 ½ years).*

Three and a half years later...

Phase Four - Structural Component:

1. Third Woe!

- Remnant return to Jerusalem in anticipation of their Messiah's arrival.
- Beast gathers the armies of the earth (his kingdom) together for the battle of Jerusalem... *Rev 19:19*
- Return of the Messiah, "Behold I saw heaven open up and a white horse..." *Rev 19:11*

Seventh's Shofar blast!

- The kingdoms of this world have become the kingdoms of our Lord... *Rev. 11:15.*
- **Earthquake and a great hail.** *Rev. 11:19.*
- The Messiah touches down on the Mt of Olives (*Acts 1:11*) and Mt of Olives splits in two. *Zech 14:4. **This is the Battle for Jerusalem** — the winepress (erroneously termed the Battle of Armageddon). "The wine press was trampled outside the city, and blood flowed out of the wine press as high as a horse's bridle for about 200 miles." Rev 14:20*

Frankly, it is nearly impossible to picture this catastrophic outcome — blood flowing the length and breadth of the land, the height of a horses bridle. This cataclysmic event is a direct result of Yeshua's return and the decimation of Satan's army.

And so, the prayer that has been prayed by countless believers during the 'times of the Gentiles' finally comes to fruition over two thousand years two later...

"And He (YeShua) said to them, when you pray, say: Our Father, who is in Heaven, hallowed be Your name. Your kingdom come, Your will be done, as in Heaven, so also on the earth..." Luk 11:2

See Division Seven of The Final Word on our Web Site (the 1000 year rule of Yeshua from Jerusalem) for further details...

The sombre words of the prophet Jeremiah and the psalmist cry out to the leaders of Israel today:

*“Thus saith the LORD; A voice was heard in Ramah, **lamentation, and bitter weeping**; Rachel weeping for her children refused to be comforted for her children, because they were not.” Jer 31:15*

*“For he is our Yehovah, and we are the people of his pasture, and the sheep of his hand. **Today, Oh that ye would hear his voice!** Harden not your heart, as at Meribah, as in the day of Massah in the wilderness: When your fathers tempted me, proved me, and saw my work.” Psa 95: 7 - 9*

Final warning!!! Under no circumstances must any type of Temple be constructed in the land of Israel!!!
